WHAT IS POESY?

"Oh! what is poesy?—The power sublimes,
To people worlds, and rouse up Fairy Lands
To rear up Titans, wonderfully great;
And palaces the proudest, without hands.

"Oh! what is poesy?—The power sublimes,
To ill imagination's wondrous wands,
To roll on waves, and amazings-flowing rhyme
A phantom of a far-off land.

"Oh! what is poesy?—A God-like dream
Enveloping summiests of earth,
The fragments of a wondrous vision's glass,
When eyes are open'd, of no mortal birth.

"Oh! what is poesy?—The power sublimes,
Hiddest and waiting forth, in beauty rare,
Links in existence, magically wrought,
Glimpses of the beautiful, caught-in-sight.

"Oh! what is poesy?—The exhibitions
Of sublited events, in mortal bosoms sleeping
Upward rising, in their aspirations
And vapor-like, like the blue of Heaven sweeping.

"Oh! what is poesy?—The tripping rhyme
Refining all, on whom it lightly falls,
Like showers, as some wild summer sijours,
From Heaven dropping when the deserts.

"Oh! what is poesy?—Thought grandly free
And, like an eagle rushing to its height,
Resounding the silence where Eternity
Sits, with silent wings enthroned amidst light.

"Insuperable essence! From High
'Tis filter'd through the tick-lathers of Heaven
Pure as the other of empyrean sky

Is Poesy—the immortal given.
